

# Confrontation

## Otep

Don't be silent, fight!  
Violence, melees  
And disturbances of peace Here's your introduction  
To destruction  
And the hate sustaining me  
Are we safer or in danger?  
Drowning in atrocities  
Riot gear, the slaves are here  
Piling corpses high  
It's the rich man's war  
But it's the poor that fight  
More capitalist crimes  
More enemies than allies  
No W.M.D.'s  
Who gives a fuck if they die?  
Just kill 'em all  
Watch 'em fall  
Skin the world with their lies  
It's the rich man's war  
But it's the poor that fight Stand up, speak out  
Strike back!  
Stand up, speak out  
Strike back!  
They don't know  
What they started  
Confrontation!  
My religion of resistance  
Challenging everything  
Radicals and dissidents  
Of creativity  
We are the children  
Of the siege you hide  
In this rich man's war  
Where the poor just die More deception and greed  
More wars and disease  
More lies from the high mind  
That seek to deceive  
A weak nation of need  
Like silent thieves in the night  
It's a rich man's war  
But it's the poor that die Stand up, speak out  
Strike back!

Stand up, speak out  
Strike back!  
They don't know  
What they started  
Confrontation!Stand, fight  
Speak, fight  
Strike back!  
Stand, fight  
Speak, fight  
Strike back!  
They don't know  
What they started  
Confrontation!This is my battle cry  
Defy the lies  
Of the tyrant race  
With a fist in the air  
And a finger in their face!Defy the tyrants  
Don't be silent  
Defy the tyrants  
Don't be silent  
Defy the tyrants  
Don't be silent  
Defy the tyrants  
Don't be silentStand up, speak out  
Strike back!  
Stand up, speak out  
Strike back!  
They don't know  
What they started  
Confrontation!Stand, fight  
Speak, fight  
Strike back!  
Stand, fight  
Speak, fight  
Strike back!  
They don't know  
What they started  
Confrontation!There's no way  
They can stop us now  
There's no way  
They can stop us now  
There's no way  
They can stop us  
So let them try  
We fight or we die
