The Driver (feat. Dierks Bentley & Eric Paslay)

Charles Kelley

I'm the driver, bringing their circus to town
first one in and the last rolling out, shutting down
the up all-nighter, all the stars and sunrises I've seen
every corn field and town in between, west to east.Oh, easy come easy go
yeah we rock then we roll out of town
but for now while the moment is here
shine a light drink a beer
let's get loud,
all the drivers and dreamers, believers and singers
oh won't you sing with me now
Oh, oh woah, oh oh oh woah, oh oh woah, oh oh oh-woah, oh oh.
(Eric Paslay)
I'm the dreamer, soaking up every line
searching for truth all the time
the believer, that music can save a soul
the one who's at every show in the front row,
singin'Oh, easy come easy go
yeah we rock then we roll out of town
but for now while the moment is here
shine a light drink a beer
let's get loud,
all the drivers and dreamers, believers and singers
oh won't you sing with me now
Oh, oh woah, oh oh oh woah, oh oh woah, oh oh oh-woah, oh oh.
(Dierks Bentley)
I'm the singer, pouring out all that I had
every love song and heat break gone bad,
and looking back, when I was younger
sitting right there where you are
sending a prayer to the highest star
and here we areOh here we areOh, easy come easy go
yeah we rock then we roll out of town
but for now while the moment is here
shine a light drink a beer
let's get loud,
all the drivers and dreamers, believers and singers
oh won't you sing with me now
Oh, oh woah, oh oh oh woah, oh oh woah, oh oh oh-woah, oh oh.
