

Lost Without You

Delta Goodrem

I know I can be a little stubborn sometimes
A little righteous and too proud
I just want to find a way to compromise
Cos I believe that we can work things out I thought I had all the answers
Never giving in
But baby since you've gone
I admit that I was wrong All I know is I'm lost without you
I'm not gonna lie
How am I gonna be strong without you
I need you by my side
If we ever said we'll never be together
and we ended with goodbye
Don't know what I'd do
I'm lost without you
I keep trying to find my way
but all I know
is I'm lost without you
I keep trying to face the day
Lost without you How am I ever gonna get rid of these blues?
Baby I'm so lonely all the time
Everywhere I go I get so confused
You're the only thing that's on my mind Oh my bed so cold at night
And I miss you more each day
Only you can make it right
Though I'm not too proud to say
All I know is I'm lost without you
I'm not gonna lie
How am I gonna be strong without you
I need you by my side
If we ever said we'll never be together
and we ended with goodbye
Don't know what I'd do
I'm lost without you I keep trying to find my way
but all I know is
I'm lost without you
I keep trying to face the day
Lost without you If I could only hold you now
Make the pain just go away
Can't stop the tears from running down my face
(oh) All I know is I'm lost without you
I'm not gonna lie
How am I gonna be strong without you

I need you by my side
If we ever said we'll never be together
and we ended with goodbye
Don't know what I'd do
I'm lost without you
I keep trying to find my way (yeah)
but all I know is
I'm lost without you
I keep trying to face the day
(but all I find is) I'm lost without your love
I keep trying to find my way
And all I know is
I'm lost without you (oh)
I'm lost without you
