

The Last Matador of Bayonne

Joe Bonamassa

I hold out hope
But it stalls
Soon, the last curtain falls
A hundred years of past has spoken All the great warriors
Are sown into history? s flag
Like a book of the seven seals
Of the heroes (hero's?) past
Through fires, revolutions
Dust storms and conclusions
Will the show go on tonight?
For one more time
I fight on,
Fight on,
I? m the last matador of Bayonne For tomorrow this place falls
Into silence There? s a path
Traveled by many
Say one more prayer for my family
Like a ship without a sail
Cast adrift
I fight on,
Fight on
I? m the last matador of Bayonne
A hundred years of past
Now are gone
