

# Busted, Disgusted or Dead (feat. Johnny Winter)

Leslie West

I've been held up late at night  
With a sharp blade to my throat  
At the moment I didn't consider  
This might be all she wrote I gave 'em everything I had  
So they wouldn't use the knife  
It's amazing when I think of  
how I survived this life  
Busted, disgusted or dead  
Well, I guess the universe  
Had other plans for me instead  
It's not like I was gonna listen  
To anything anybody said  
Oh, I'm lucky enough  
Not to have ended up  
Busted, disgusted or dead You'd think my self-preservation  
Would be enough to get me through  
You can never be prepared enough  
For what some people do  
I've been held up late at night  
With sharp blade to my throat  
At the time I didn't consider  
This might be all she wrote I'm busted, disgusted or dead  
Busted, disgusted, I'm dead
