# Imagine

## Shola Ama

Imagine if I tell you that I want you,
Imagine if it all came true,
Tell me what would you do, with me,
Would you tell me that you feel the same?
Imagine if I told you that I need you,
Would you say me that I need you too?
No matter what you do, I know (I know),
You should be in love with me.Sometimes I find myself locked into,
Secret thoughts hoping they come true,
Sometimes at night I feel you lying next to me - baby.But these are things that I can never tell you,
I can't imagine what you would do,
After all you're so far away from me, from me,
Sometimes it feels just like a fantasy,
And I don't know what to do.
'Cos this all must be like a dream to me,
To find a love so true.
But I know it's only make believe,
When I'm picturing me and you.
But one day I'll know that you'll be.
The one that makes my dreams come true.Imagine if I tell you that I want you (oh yeah),
Imagine if it all came true,
Tell me what would you do, with me (with me),
Would you tell me that you feel the same? (oh yeah)
Imagine if I told you that I need you,
Would you say me that I need you too?
No matter what you do, I know (I know),
You should be in love with me.
There's a feeling so deep inside,
Telling me we weren't meant to be,
Praying that someday that you will come for me, for me.
But 'til then I'm just daydreamin',
Thinking 'bout the way that things could be.
But it don't matter 'cos you're so far from me - baby.Sometimes it feels just like a fantasy,
And I don't know what to do.
'Cos this all must be like a dream to me,
To find a love so true.
But I know it's only make believe,
When I'm picturing me and you.
But one day I'll know that you'll be.
The one that makes my dreams come true (oh yeah).Imagine if I tell you that I want you (want you),

Imagine if it all came true (came true),
Tell me what would you do, with me (uh oh),
Would you tell me that you feel the same (the same)?
Imagine if I told you that I need you (need you),
Would you say me that I need you too (I need you too)?
No matter what you do, I know (I know),
You should be in love with me.
(You should be in love with me).How can you, be so far from me (yeah)?
How can I, be loving you endlessly?
How can we, be so far out of reach,
It's just not the way that I hoped it would be.Imagine if I tell you that I want you (want you),
Imagine if it all came true,
Tell me what would you do, with me (uh oh),
(Tell me what would you do to me)
Would you tell me that you feel the same?
Imagine if I told you that I need you, (I need to)
Would you say me that I need you too (I need you too)?
No matter what you do, I know,
You should be in love with me.
(You'll never know).Imagine if I tell you that I want you,
(Imagine if I told you)
Imagine if it all came true,
(Imagine if I told you)
Tell me what would you do, with me
(what would you do to me),
(Tell me what would you do to me)
Would you tell me that you feel the same?
(would you say it was a lot for me)Imagine if I tell you that I want you,
(Imagine if I told you)
Imagine if it all came true,
(Imagine if I told you)
Tell me what would you do, with me
(Tell me what would you, do with me)
