Never Again

Trey Songz

When the days are done
When you and I would take a walk, oh, yeah
To the place where no one knows of
Now I can't stop thinking bout you
I'm a ghost, looking for you
It hurts but it's trueThat I will never ever see you again
And I'll never ever hold you again
In my arms
Never again
And I will never ever feel you again
But I will always love you the same
My girl, never ever again
I wish we had a little more to look in love
Now you are long gone
But I still got your birthday card
Yeah, put a stamp on her adress
Oh now I can't stop dreaming bout you
I'm a lost star without you
It hurts but it's true, trueThat I will never ever see you again
And I'll never ever hold you again
In my arms, my arms
Never ever again, hey
And I will never ever feel you again
But I will always love you the same
My girl, never ever againI wish we had a little more to look in loveSuddenly it hits me hard
To the point it breaks my heart, ah
Such a major love
We'll never gonna touch again, noWill never ever see you again (Again, again, again)
And I'll never ever hold you again (In my arms)
In my arms
Never ever again
I wish we had a little more to look in love
Never ever again
Never ever again
Never again
