

How Ya Like Me Now

Kool Moe Dee

I throw my tape on
And i watch ya
Three second later
I got ya shakin' your head
Dancin' instead of sittin'
The rhymes kick
The beats hittin' you
Just like a home run
Slammin' like a slam dunk
Riding the wave that james brown gave funk
It happened to james like it happened to me
How you think i feel to see another mc
Gettin' paid usin' my rap style
And i'm playn' the background meanwhile
I ain't with that
You can forget that
You took my style
I'm takin' it back
I'm come back like "return of the jedi"
Sucker mc's in the place that said i
Could only rock rhymes
Only rock crowds
But never rock records
How ya like me now (x2)Now brothers are riding me
Like a pony
I'm no phony
I'm the only real micaroni
Playin' the mic like it's supposed to be played
New jacks, you all shoulda stayed out of the business
What is this, amateur night at the apollo?
Get off this stage, i'm in a rage
I'm like a lion that's been trapped in a cage
I'm the real king, rap is a jungle
I never understood, how could one go
To a party, watch me, stand around and jock me
Become a rapper, then try to rock me
Scheming like a demon, you're screamin' and dreamin'
I'm from the old school, i used to see men
Dies for less, but i'm not living that way
I'll let my mic do the talkin'
And let the music play
How ya like me now (x2)Rap is an art

And i'm a picasso
 But of course
 Why else would you try so
 Hard to paint a picture, and try to get ya
 Self in my shoes, but they won't fit ya
 I'm bigger and better, forget about deffer
 Every time i rocked the mic, i left a
 Stain in your brain that will remain
 Stuck in the back of your brain till you see me
 Again, respect, i come correct
 The rhymes i select are nothing short of
 Vernacular's pure and i can insure
 Life od death with my breath, my voice is a cure
 I heal life from the words i spread
 I'll make a sick man rock on his death bed
 Sucker mc's, i'll make your girl say "ow"
 She's jockin'How ya like me now (x2)It irked my nerve
 When i heard
 A sucker rapper that i know i'll serve
 Run around town sayin' he is the best
 Is that a test?
 I'm not impressed
 Get real, you're nothin' but a toy
 Don't ya know i'll serve that boy
 Just like a waiter
 Hit'em with a place of
 These fresh rhymes and
 Make sure that he
 Pays the bill, and leave him standin' still
 When he's had enough, hit him with a refill
 And for dessert it won't be no ice cream
 I'm just gonna splatter and shatter his pipe dream
 Make him feel the wrath, beat him and laugh
 Then when i finish them, i'm gonna ask him
 Who's the bests, and if he don't say moe deeI'll take my whip and make him call himself toby
 Put him on punishment just like a child, then askHow ya like me nowWhip him good, then i'll
 make him sweat
 Talkin' about battles and never had a battle yet
 But if we ever didHow could you beat me
 You're so petrified
 Even scared to meet me
 My word's the law
 That's why you don't beef
 You're nothing but a punk, track star, and a thief
 So i'm puttin' you on punishment
 Just like a child
 Never touch another micHow ya like me now (x2)I could continue
 There's more on the menu
 But relax 'cos i'm so far in you

You had enough
I know you're overstuffed
If i keep going
You'll be throwin' up
Old rhymes i used to say
Back in the day
When you used to me To my parties and pay
Nobody's ever gonna rack me
This i vow
So all i wanna say is How ya like me now (x2) How ya like me now (fade out with echo)
