Rape Me

Nirvana

Rape me
Rape me, my friend
Rape me
Rape me, againI'm not the only one
I'm not the only one
I'm not the only one
I'm not the only oneHate me
Do it and do it again
Waste me
Rape me, my friend
I'm not the only one
I'm not the only one
I'm not the only one
I'm not the only oneMy favorite inside source
I'll kiss your open sores
Appreciate your concern
You're gonna stink and burnRape me
Rape me, my friend
Rape me
Rape me, againI'm not the only one
I'm not the only one
I'm not the only one
I'm not the only one
Rape me!
Rape me!
Rape me!
Rape me!
Rape me!
Rape me!
Rape me!
Rape me!
Rape me!
