

# Money Now (feat. Tyga & Johnny Yukon)

## KYLE

Ooh-ooh I was broke down, trappin' out my momma house  
Run it up, southside, no bank account (Count)  
Ooh, we had some demons had to get 'em out (Out)  
Look at me, look at me, gettin' money now (Now)  
Ooh, we gettin' money now (Get it now)  
Ooh, we gettin' money now (Get it now)  
Ooh, we gettin' honey now (Get it now)  
Look at me, look at me, gettin' money now  
I remember (Watchu know?), I was- I was broke as a birch (Damn that's right)  
My messages was hella empty, just like my fridge, yeah  
Girlies thought that we was camping, yeah  
Every time we spent the night at the crib (What the fuck?)  
Yeah, 'cause I was pitchin' up a damn tent  
'Cause back then, niggas couldn't pay the damn rent  
(Now watchu want? Wooh)  
Ayy, it's seventy thousand for a feature (Wooh)  
Six rings like Jordan I'ma need an extra finger (Wooh)  
Nigga I'm so smart I tried to tell my teacher (Wooh)  
In the- in the court I wrote them when I was a senior, yeah I was broke down, trappin' out my  
momma house  
Run it up, southside, no bank account (Count)  
Ooh, we had some demons had to get 'em out (Out)  
Look at me, look at me, gettin' money now (Now)  
Ooh, we gettin' money now (Get it now)  
Ooh, we gettin' money now (Get it now)  
Ooh, we gettin' honey now (Get it now)  
Look at me, look at me, gettin' money now  
Yeah, it ain't funny but it's funny now (Funny)  
You cut my time now my watch cost a hundred thou' (Hundred thou')  
New album, make it, oh you believe in my vision now (Believe)  
And I own my own lane, niggas lamed out (Lame)  
Don't treat me like a step child when I step out (Respect)  
I got this motherfucker sold out, might take a bow (Yeah)  
Crazy I'm on the way up, you on the way down (Down)  
I don't talk my shit for free, I get paid now (I get paid now)  
Lookin' at my life, God on that big flex  
My momma told me Boy, invest, uhm yes  
And I got real estate, diamonds in my sun necks (Neck)  
Clark Kent they ain't seen the S on my chest (Pew)  
I guess, 'cause I was I- I was broke down, trappin' out my momma house  
Run it up, southside, no bank account (Count)  
Ooh, we had some demons had to get 'em out (Out)

Look at me, look at me, gettin' money now (Now)  
Ooh, we gettin' money now (Get it now)  
Ooh, we gettin' money now (Get it now)  
Ooh, we gettin' honey now (Get it now)  
Look at me, look at me, gettin' money now, yeah
