

# Vulgar Display of Powder

## Therapy?

Full Of Yourself To Bursting  
No Self Awareness Or Self Control  
All Of The Bullshit Your Blurting  
Everyone's Heard It All Before...Bombastic & Pompous  
Coked Up To The Eyes  
This Isn't How You Cope  
... You ... Coward...You Finally Turned  
Into What You Despise  
And Now Your A Joke  
... You ... Coward...Now You Really Let Me Down  
And I Don't Want You Around  
Walked In Your Desperation  
Slave To The Ritual  
Unable To Play...  
A Battle Of Endless Static  
Must You Say Everything  
That You Say??...Bombastic & Pompous  
Coked Up To The Eyes  
This Isn't How You Cope  
... You ... Coward...You Finally Turned  
Into What You Despise  
And Now Your A Joke  
... You ... Coward...Now You Really Let Me Down  
And I Don't Want You Around  
You Coward  
You Coward  
You Coward  
You Coward
