Trouble

Never Shout Never

I'm in trouble
I'm an addict
I'm addicted to this girl
She's got my heart tied in a knot
And my stomach in a whirl
But even worse
I can't stop calling herShe's all I want and more
I mean damn
What's not to adore?
I've been playing too much guitar
I've been listening to jazz
I called so many times
I swear she's going mad
And that cellular will be the death of us
I swear, I swear
And ohO-oh, o-oh, o-ooh
Ooooh
I'm running my mouth
Just like I got her
But I surely don't
Because she's so
O-oh, o-oh, o-oohRock 'n roll
And out of my league
Is she out of my league?
Let's hope not
I'm in trouble
I'm so cliché
See that word just wears me out
Makes me feel like just another boy
To laugh and joke about
But even worseI can't stop calling her
I love to hear that voice
And honestly
I'm left with no choice
I've been playing too much guitar
I've been listening to jazz
I called so many times
I swear she's going mad
And that cellular will be the death of us
I swear, I swear
And oh
O-oh, o-oh, o-ooh

Ooooh
I'm running my mouth
Just like I got her
But I surely don't
Because she's so
O-oh, o-oh, o-ooh
Rock 'n roll
And out of my league
Is she out of my league?
Let's hope not
And oh
O-oh, o-oh, o-ooh
Ooooh, oooh
