moonchild

RM

We're born in the moonlight
Ain't a fantasy
Can't breathe in the sunlight
Gotta hide your heartWe're born to be sad sad sad sad
So start to be glad glad glad gladC'mon y'all moonchild, moonchild
That's supposed to be
Yeah all the pain, all the sorrow
That's your destiny, see
You know my life is like this
We gotta dance in the rain
Dance in the pain
Even though we crashed now
We gonna dance in the plane
