Islands in the Stream (with Kenny Rogers)

Dolly Parton & Kenny Rogers

Baby, when I met you there was peace unknown
I set out to get you with a fine tooth comb
I was soft inside, there was somethin' going onYou do something to me that I can't explain
Hold me closer and I feel no pain
Every beat of my heart
We got somethin' goin' onTender love is blind
It requires a dedication
All this love we feel
Needs no conversation
We ride it together, ah-ah
Makin' love with each other, ah-ah
Islands in the stream
That is what we are
No one in-between
How can we be wrong
Sail away with me to another world
And we rely on each other, ah-ah
From one lover to another, ah-ahI can't live without you if the love was gone
Everything is nothin' if you got no one
And you did walk in tonight
Slowly loosen' sight of the real thingBut that won't happen to us and we got no doubt
Too deep in love and we got no way out
And the message is clear
This could be the year for the real thing
No more will you cry
Baby, I will hurt you never
We start and end as one, in love forever
We can ride it together, ah-ah
Makin' love with each other, ah-ahIslands in the stream
That is what we are
No one in-between
How can we be wrong
Sail away with me to another world
And we rely on each other, ah-ah
From one lover to another, ah-ahSail away
Oh, come sail away with meIslands in the stream
That is what we are
No one in-between
How can we be wrong
Sail away with me to another world
And we rely on each other, ah-ah
From one lover to another, ah-ahIslands in the stream

That is what we are
No one in-between
How can we be wrong
Sail away with me to another world
And we rely on each other, ah-ah
From one lover to another, ah-ah
