

# Orange Juice

Melanie Martinez

[Verse 1]

Oh, oh, stick it down your throat  
I'm watching from the bathroom  
Making sure I don't choke, choke  
From the words you spoke when you're screaming at the mirror  
Now you're sitting in the cafeteria  
Shoving clementines and orange bacteria  
Down your throat, a dozen times a year, yeah  
For another round of your bulimia

[Chorus]

You turn oranges to orange juice  
Enter there, then spit it out of you  
Your body is imperfectly perfect  
Everyone wants what the other ones working

No orange juice

We cry O.J

We cry O.J

We cry O.J

We cry O.J[Verse 2]

Oh, oh, I believe you chose to blow it on the reading carpet  
That's what happens when you're starvin'  
Please say that you won't continue  
Ordering oranges off the menu  
Stuffin' up your mouth like t-t-tissue  
The way you look is not an issue

[Chorus]

You turn oranges to orange juice  
Enter there, then spit it out of you  
Your body is imperfectly perfect  
Everyone wants what the other ones working

No orange juice

We cry O.J

We cry O.J

We cry O.J

We cry O.J[Bridge]

Ooh, I wish I could give you my set of eyes  
'Cause I know your eyes ain't working, hmm  
I wish I could tell you that you're fine, so fine  
But you will find that disconcerting[Chorus]

You turn oranges to orange juice

Enter there, then spit it out of you

Your body is imperfectly perfect

Everyone wants what the other ones working  
No orange juice  
We cry O.J  
We cry O.J  
We cry O.J  
We cry O.J  
We cry O.J  
We cry O.J
