Gangsta Walk (feat. Nate Dogg)

SNBRN

Hey little mama with that tight dress on
I got a small proposition for you (ah, ah, ah, ah)
You look kinda sexy,
got it going on-
here's what I want you to do
(here's what I want you to doo)
Come a little closer, let me see that thong
Let me slide this number for you (Ah, ah, ah)
You can catch me in them streets with ma blue khakis on
In my Chuck Taylors smoking blunts with my crew
(Gangsta walk)
Hey, hey, hey, hey
All my niggas do the gangsta walk
All my niggas do the gangsta walk
Hey, hey, hey, hey
All my bitches do the gangsta walk
Let me see you do the gangsta walk
No matter what they say
All my niggas do the gangsta walk
All my niggas do the gangsta walk
Blow trees anyway
All my bitches do the gangsta walk
Let me see you do the gangsta walk
Hey, hey
Homie give it up if you ballin'
Homie give it up for yourself
Ladies pick it up let's keep calling
Baby showing off out the west
All my niggas do the gangsta walk
All my niggas do the gangsta walk
Hey, hey, hey, hey
All my bitches do the gangsta walk
Let me see you do the gangsta walk
No matter what they say
All my niggas do the gangsta walk
All my niggas do the gangsta walk
Blow trees anyway
All my bitches do the gangsta walk
Let me see you do the gangsta walk
Hey, hey
It's 6 in the morning, we still going strong
And we ran out of weed at about two (oh noo)

Must be the music, got these gangstas gone
(Must be the music)
I'm tryna play this funk down on you
Homie give it up if you ballin'
Homie give it up for yourself
Ladies pick it up let's keep calling
Baby showing off out the west (west, west...)
All my niggas do the gangsta walk
All my niggas do the gangsta walk
Hey, hey, hey, hey
All my bitches do the gangsta walk
Let me see you do the gangsta walk
No matter what they say
All my niggas do the gangsta walk
All my niggas do the gangsta walk
Blow trees anyway
All my bitches do the gangsta walk
Let me see you do the gangsta walk
Hey, hey, hey, hey
All my niggas do the gangsta walk
All my niggas do the gangsta walk
All my bitches do the gangsta walk
Let me see you do the gangsta walk
No matter what they say
All my niggas do the gangsta walk
All my niggas do the gangsta walk
Blow trees anyway
All my bitches do the gangsta walk
Let me see you do the gangsta walk
Hey, hey
