So i need to holla at the club owner,
And hit him whip out 10 stacks to keep it open longer.

Chippin on the eree-herb till it's right down to the nub.
Atl and memphis tenn mixed together nothin but love,
It's a trip when playas meet, get on this level
Nigga whaaaat...

She got that?? tellin her that she can take that.
The beat got her trippin, and the heat got her pumpin
And she screamin at the dj don't stop playin that.
Oh shorty's got a body, came if you want nobody
So tonight you know i'm gonna frame that.
She's drivin in the truck and sayin you can be my nigga
But the night is still young so why don't you fall back. oh!Damn why she frontin
When she know that she want it.
I can tell how she's on it,
Cause she really wanna see me tonight.
I know what tonight can be,
If yall would just work with me
See what's in front of me
Just let me get made tonight
What, yall closing the clubs?
I ain't finished drinkin
Can't you see me talking to her?
What yall closing the clubs?
Just give me a few minutes
And she gon be ready to goWhat, yall closing the clubs?
