

A Little Longer

Bethel Music & Jenn Johnson

What can I do for You
What can I bring to You
What kind of song would You like me to sing
'Cause I'll dance a dance for You
Pour out my love to You
What can I do for You, beautiful King 'Cause I can't thank You enough
'Cause I can't thank You enough All of the words that I find
and I can't thank you enough
No matter how I try
and I can't thank you enough
Then hear you saying to me
Listen you, don't have to do a thing
Just simply be with me
and let those things go
'Cause they can wait another minute
Wait, this moment is too sweet
Would you please stay here here with me
And love on me a little longer I hear you saying
You don't have to do a thing
Just simply be with me
and let those things go
'Cause they can wait another minute
Wait, this moment is too sweet
Would you please stay here here with me
And love on me a little longer
'cause I like to be with you a little longer I love to be with you a little longer 'Cause I'm in love
with you I'm in love with you
