Beach In Hawaii

Ziggy Marley

On the beach in HawaiiI wish you were here with me
walking on the beach in Hawaii
playing on the golden sand
looking at the ocean now I understand
love is like the open sea
and I wish you were here with me
on the beach in HawaiiSince you've been gone away
I think about you everyday
don't you know I miss you much
and you know I need your touch
I'm on a rocky cliff
oh I wish you were here with me
on the beach in Hawaii
A little pakalolo
and I say mahalo
ujjayi breathing
to get a real feeling
yogi gonna let you know
that I wish you were here with me
on the beach in Hawaii
in Hawaii
