The Gift

Jim Brickman, Collin Raye & Susan Ashton

Winter snow is falling down
Children laughing all aroundLights are turning onLike a fairy tale come true
Sitting by the fire we made
You're the answer when I prayed
I would find someoneAnd baby I found you
All I want is to hold you forever
All I need is you more every day.
You saved my heart
From being broken apart
You gave your love away
And I'm thankful every day
For the gift
Watching as you softly sleep
What I'd give if I could keepJust this moment
If only time stood still
But the colors fade away
And the years will make us greyBut baby in my eyes
You'll still be beautiful
All I want is to hold you forever
All I need is you more every day
You saved my heart
From being broken apart
You gave your love away
And I'm thankful every day
For the gift
All I want is to hold you forever
All I need is you more every day
You saved my heart
From being broken apart
You gave your love away
I can't find the words to say
That I'm thankful everyday
For the gift
