What's This?

Fall Out Boy

What's this? What's this?
There's colour everywhere
What's this?
There's white things in the airWhat's this?
I can't believe my eyes
I must be dreaming
Wake up, Jack, this isn't fair
What's this?What's this? What's this?
There's something very wrong
What's this?
There's people singing songs
What's this?
The streets are lined with
Little creatures laughing
Everybody seems so happy
Have I possibly gone daffy?What is this?
What's this?
There's children throwing snowballs
Instead of throwing headsThey're busy building toys
And absolutely no one's dead
There's frost on every window
Oh, I can't believe my eyesAnd in my bones I feel the warmth
That's coming from inside
Oh, look
What's this?
They're hanging mistletoe, they kiss
Why that looks so unique, inspiredThey're gathering around to hear a story
Roasting chestnuts on a fire
What's this?
What's this?In here they've got a little tree, how queer
And who would ever think
And why?
They're covering it with tiny little thingsThey've got electric lights on strings
And there's a smile on everyone
So, now, correct me if I'm wrongThis looks like fun
This looks like fun
Oh, could it be I got my wish?
What's this?
Oh my, what now?
The children are asleepBut look, there's nothing underneath
No ghouls, no witches here to scream and scare them
Or ensnare them, only little cozy things

Secure them in their dreamlandWhat's this?
The monsters are all missing
And the nightmares can't be found
And in their place there seems to beGood feeling all around
Instead of screams, I swear
I can hear music in the air
The smell of cakes and pies
Are absolutely everywhere
The sights, the sounds
They're everywhere and all around
I've never felt this good before
This empty place inside of me has been filling up
I simply cannot get enough
I want it, oh, I want it
Oh, I want it for my own
I've got to know
I've got to know
What is this place that I have found?
What is this?
