

# Sky Pilot

## The Animals

He blesses the boys, as they stand in line  
The smell of gun grease and their bayonets they shine  
He's there to help them all that he can  
To make them feel wanted he's a good holy man Sky Pilot  
Sky Pilot

How high can you fly?  
You'll never, never, never, reach the sky He smiles at the young soldiers, tells them it's all right  
He knows of their fear in the forthcoming fight  
Soon there'll be blood and many will die  
Mothers and fathers back home they will cry  
You're soldiers of God you must understand  
The fate of your country is in your young hands  
May God give you strength  
Do your job well  
If it all was worth it  
Only time it will tell Sky Pilot  
Sky Pilot

How high can you fly?  
You'll never, never, never, reach the sky He mumbles a prayer and it ends with a smile  
The order is given, they move down the line  
But he'll stay behind, and he'll meditate  
But it won't stop the bleeding, or ease the hate As the young men move out into the battle zone  
He feels good, with God you're never alone  
He feels so tired as he lays on his bed  
Hopes the men will find courage in the words that he said  
Sky Pilot  
Sky Pilot

How high can you fly?  
You'll never, never, never, reach the sky In the morning they return with tears in their eyes  
The stench of death lifts up to the skies  
A young soldier so ill, looks at the Sky Pilot  
Remembers the words 'Thou shalt not kill'. Sky Pilot  
Sky Pilot

How high can you fly?  
You'll never, never, never, reach the sky
