Nothing Else Matters

Metallica

So close, no matter how far
Couldn't be much more from the heart
Forever trust in who we are
And nothing else mattersNever opened myself this way
Life is ours, we live it our way
All these words, I don't just say
And nothing else mattersTrust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters
Never cared for what they do
Never cared for what they know
And I knowSo close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
And nothing else mattersNever cared for what they do
Never cared for what they know
And I know, yeahI never opened myself this wayLife is ours, we live it our way
All these words, I don't just say
And nothing else matters
Trust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters
Never cared for what they say
Never cared for games they play
Never cared for what they do
Never cared for what they know
And I know, ooh, yeah
So close, no matter how far
Couldn't be much more from the heart
Forever trust in who we are
No, nothing else matters
