Lightning Bolt

Jake Bugg

Morning, it's another pure grey morning
Don't know what the day is holding
When I get uptight
And I walk right into the path of a lightning bolt
Sirens of an ambulance comes howling
Right through the centre of town and
No one blinks an eye
And I look up to the sky in the path of a lighting boltMet her as the angels parted for her
But she only brought me touture
But that's what happens
When it's you who's standing in the path of a ligthning bolt
Everyone I see just wants to walk with gritted teeth
But I just stand by and I wait my time
They say you gotta tow the line they want the water not the wine
But when I see the signs I jump on that lightning boltChances, people tell you not to take chances
When they tell you there aren't any answers
And I was starting to agree
But I awoke suddenly in the path of a lightning boltFortune, people talking all about fortune
Do you make it or does it just call you.
In the blinking of an eye
Just another passerby in the path of a lightning boltEveryone I see just wants to walk with gritted teeth
But I just stand by and I wait my time
They say you gotta tow the line they want the water not the wine
But when I see the signs I jump on that lightning bolt
It was silent, I was lying back gazing skyward
When the moment got shattered
I remembered what she said
And then she fled in the path of a lightning bolt
