Stronger Woman

Jewel

I guess you could say I'm one of those girls
That's always been with one of those guys
You know the type
Like right now, he sleeps while I writeBut it's better than crying
I'm worn out from trying
From loving a man who always makes it clear
I'm not welcome here
Just when he's hungry or frisky
or needs something cleaned
And you know what I meanBut not tonight
'Cause come the morning light, oh
I'm gonna love myself more than anyone else
Believe in me, even if someone can't see
The stronger woman in me
I'm going to be my own best friend
Stick with me till the end
Won't lose myself again, never, no,
'Cause there's a stronger woman,
A stronger woman in meLight bulbs buzz,
I get up
And head to my drawer
I wish there was more
I could say
Another fairytale fades to gray
I've lived on hope
Just like a child
Walking that mile
Faking that smile
All the while
Wishing my heart had wings
Well from now on I'm going to be
The kind of woman I'd want my daughter to be, ohI'm gonna love myself more than anyone else
Believe in me, even if someone can't see
A stronger woman in me
I'm gonna be my own best friend
Stick with me till the end
I won't lose myself again, never, no
'Cause there's a stronger woman,
A stronger womanThis is me, packing up my bags
And this is me, headed for the door
And this is me, the best you ever had
I'm going to love myself

More than anyone else
Believe in me even if someone cannot see
There's a stronger woman in me
I'm going to be my own best friend
Stay with me till the end
Won't lose myself again, never, no
'Cause there's a stronger woman
A stronger woman
There's a stronger woman,
A stronger woman in me,
Yeah...
