Getting Nowhere (feat. John Legend)

Magnetic Man

[chorus]
I keep using my energy
Pushing and shoving my way to please
Almost there, almost there
Feel like we've been getting nowhere
Almost there, almost there
Feel like we've been getting nowhereAlmost there, almost there
Well...Electronic world, supersonic girl
We keep holding onto nothing
We keep typing, we're not talking
We lose endlessly, world won't get by me
I feel like I'm onto something
We keep moving, we're not there yet
[chorus]
I keep using my energy
Pushing and shoving my way to please
Almost there, almost there
Feel like we've been getting nowhere
Almost there, almost there
Feel like we've been getting nowhereNo, no, no, no...
Oh lord.Enigmatic stream, consciousness unleashed
Drew me into soul magnetic
Turn me on, I can't forget itRunning out of time, visions on my mind
I'm still holding onto nothing
Lord I hope, cos you'll be stood there
[chorus]
I keep using my energy
Pushing and shoving my way to please
Almost there, almost there
Feel like we've been getting nowhere
Almost there, almost there
Feel like we've been getting nowhereMmmmm, lord...
Yeah...I think I'm gonna get there, gonna get there
Gonna get there, there
Don't know when, don't know how
Push me further, hold me down, down
Down...
Almost there, almost there
Feel like we've been getting nowhere[chorus]
I keep using my energy
Pushing and shoving my way to please
Almost there, almost there

Feel like we've been getting nowhere
Almost there, almost there
Feel like we've been getting nowhereAlmost there, almost there
Feel like we've been getting nowhere
