Duramax (Remix) [feat. Katie Noel & Tommy Chayne]

Lenny Cooper

Blacked out Duramax
Speakers bout to bust
Moon light bright
Sh-shinin' off the dust
Seat leaned back
Ridin' way jacked up
Yeah, I love this way of life
I can never get enoughBlacked out Duramax
Speakers bout to bust
Moon light bright
Sh-shinin' off the dust
Seat leaned back
Ridin' way jacked up
Yeah, I love this way of life
I can never get enough
I've got a blacked out Duramax
A 12 inch smokestack
Four 12's in the back
Poundin hard like a whack-a-pack
All the girls wanna ride
Six of em in the back
With the camo dash
Nah, they can't get enough of that
Yeah, I love this way of life
I can never get enough
Young Gunner on the radio (you know my truck is jacked up)
Carolina, Georgia, Florida I will always represent it
Rockin' mud blud
If you ain't seen it
Then you gotta get it
Love the way my Chevrolet
Compliments my Chevy chain
Mud Digger King
And at the top is where I still remain
Good ole country boys
Somethin' bought me that'll never change
You'll never get on my level
As long as I'm up in this game
Blacked out Duramax
Speakers bout to bust

Moon light bright
Sh-shinin' off the dust
Seat leaned back
Ridin' way jacked up
Yeah, I love this way of life
I can never get enoughBlacked out Duramax
Speakers bout to bust
Moon light bright
Sh-shinin' off the dust
Seat leaned back
Ridin' way jacked up
Yeah, I love this way of life
I can never get enoughI got that Duramax power
Rollin coal out by the hour
And I keep these yuppies sour
Cause I'm taller than a tower
If you pull up right beside me
Make you tuck your head and cower
I'ma rain on your parade
And blow some smoke
Out on your flowers
Yeah, I'm peellin' off and grinnin'
With a Chevy full of women
Leave you in a cloud of smoke
With my tires spinnin'
I'm gone
Jammin' hick-hop in my zone
Bout to hits these dirty roads
And throw some mud up on my chrome
Lenny ridin' with me
And we far out from the city
Yeah, we in the dirty, dirty
So you know we keep it gritty
Goin' hard up on the gas
Like I'm tryin' to pop a wheelie
Talkin' trash about my ride
Make me slap a cracker sillyBlacked out Duramax
Speakers bout to bust
Moon light bright
Sh-shinin' off the dust
Seat leaned back
Ridin' way jacked up
Yeah, I love this way of life
I can never get enoughBlacked out Duramax
Speakers bout to bust
Moon light bright
Sh-shinin' off the dust
Seat leaned back
Ridin' way jacked up

Yeah, I love this way of life
I can never get enoughBlacked out Duramax
Speakers bout to bust
Moon light bright
Sh-shinin' off the dust
Seat leaned back
Ridin' way jacked up
Yeah, I love this way of life
I can never get enough
