

Not Today Satan (feat. Andy Mineo)

KB

Not today Satan
(Na na na na, na na na, na)
Ooh
(Na na na na, na na na, na)
You ain't welcome 'round me
(Na na na na, na na na, na)
Ooh, yeah yeah yeah
Not today Satan
(Na na na na, na na na, na)
Ooh
(Na na na na, na na na, na)
You ain't welcome 'round me
(Na na na na, na na na, na)
You ain't welcome 'round me
(Na na na na, na na na, na)
Not today
Yeah, I live my life on the regular, ayy
Both of your takes are perpetual, ayy
Forbidden Fruit seem so edible, ayy
You try resist like ellipticals, train
My mama told me it's spiritual, ayy
So I'm under armor like I'm Curry, look
You cannot bear with the boy, yeah
This is not the Jungle Book
Accuse me, know he would
I'm just covered by the blood
Thinkin' about the way that they did you serpent
Crushin' like Valentine's
Can't you see what the mission cost with the finish, swish
Don't try to slide in my DM
OJ Simpson with the defense
Lake of fire say we need him
Last weekend, but
Not today Satan
(Na na na na, na na na, na)
Ooh
(Na na na na, na na na, na)
You ain't welcome 'round me
(Na na na na, na na na, na)
Ooh, yeah yeah yeah
(Na na na na, na na na, na)
Not today Satan

(Na na na na, na na na, na)
Not today Satan
(Na na na na, na na na, na)
Yeah, yeah, yeah
Not today Satan
(Na na na na, na na na, na)
You ain't welcome 'round me (Na na na na, na na na, na) Yeah, speak of the devil, ayy
I think I know where he live, ayy
I think he in politics, ayy
I think you gettin' my drift, ayy
Yeah, I think he made the Explore page
I seen him at my last court date
I'm askin': Lord, give me more faith
It's cold in these street like a North Face
Ayy, gotta keep my face cloth
And I know my days short
So I stay woke, never daze off
'Cause, uh, evil never takin' no days off
Whoa there, big fella, don't try it
Get that corn out my face, you know I'm on a diet
And I'm treatin' all of your lie like United
That just ain't flyin' Not today Satan
(Na na na na, na na na, na)
Ooh
(Na na na na, na na na, na)
You ain't welcome 'round me
(Na na na na, na na na, na)
Ooh, yeah (Na na na na, na na na, na)
Not today Satan
(Na na na na, na na na, na)
Ooh
(Na na na na, na na na, na)
You ain't welcome 'round me
(Na na na na, na na na, na)
You ain't welcome 'round me
(Na na na na, na na na, na)
Not today Na, na na, na na
Na na na, na na, na na
Oh my God, now, ayy Yeah, I know your ways
Already read all your plays, yeah
I think I'm booked for tomorrow, yeah
And today just ain't your day, ayy ayy
I see you feedin' they hate
See the bodies that you take
We do not break, never no breaks
Buildin' displays on top of your cake
Come and see me 'bout it, ooh
My squad too deep
Got it covered like Newsweek

Kickin' these facts like Bruce Lee, yeah
Before the W's like UV, yeah yeah yeah
UV, Son gotta shine, Lord, use me
Hit 'em with the ooh
Come out here, don't let him fool ya
He bring up your past
Boy, bring up his future We not confused (we not confused, we not confused)
(Na na na na)
(Na na na)
Your name is racist, hatred, graceless
All disgraces traces straight to your engagement
To face the natures but on that day you face the Maker
Not to, Not today Satan (Na, na na, na na na)
(Na na na)
Yeah, I believe boys on me
Believe boys on me, yeah
(Na na na)
Not today Satan, not today
Amen
