I Want Crazy (Encore)

Hunter Hayes

I'm booking myself a one way flight
I gotta see the color in your eyes
Yeah, telling myself I'm gonna be alright
Without you baby it's a waste of time
Yeah, our first date girl the seasons changed.
It got washed away in a summer rain
You can't undo a fall like this
'Cause love don't know what distance is
Yeah, I know that's crazy
But I don't want good and I don't want good enough
I want can't sleep, can't breathe without your love
Front porch and one more kiss
It doesn't make sense to anybody else
Who cares if you're all I think about
I've searched the world and I know now
It ain't right if you ain't lost your mind
Yeah, I don't want easy
I want crazy
Are you with me baby?
Let's be crazy
Yeah!
Well, I don't wanna be scared
Don't wanna know why
Wanna feel good, don't have to be right
The world makes all kinds of rules for love
I say you gotta let it do what it does
I don't want just another hug and a kiss goodnight
Catching up calls and a date sometimes
I love that we're rebels and we still believe
We're the kind of crazy people wish that they could be
I know we're crazy, yeah
But I don't want good and I don't want good enough
I want can't sleep, can't breathe without your love
Front porch and one more kiss
It doesn't make sense to anybody else
Who cares if you're all I think about
I've searched the world and I know now
It ain't right if you ain't lost your mind
Yeah, I don't want easy
I want crazy
Are you with me baby?
Let's be crazy

Na, na, na, na, na, na, na, na
No!
I don't want good and I don't want good enough
I want can't sleep, can't breathe without your love
Front porch and one more kiss
It doesn't make sense to anybody else
Who cares if you're all I think about
I've searched the world and I know now
It ain't right if you ain't lost your mind
Yeah, I don't want easy
I want crazy
Yeah, look at us baby
Tonight the midnight rules are breaking
There's no such thing as wild enough
Maybe we just think too much
Who needs to play it safe in love
Let's be crazy
Du, du, du, du, na, na, na, na, na
Du, du, du, na, na, na, na, oh yeah
Who cares if we're crazy?
We gotta be crazy
I know that we're crazy
So let's be crazy
Yeah, yeah
