2AM (feat. Carla Monroe)

MK

2 a.m and I'm here calling youPushing and pullingCan't get it right
It's all we ever do lately
Telling the truth
And telling me lies
Say it straight would you baby?'Cause I need you
Come over
2 a.m and I'm here calling you
Come over
You already know that I need you
Come over
2 a.m and I'm here calling you (2 a.m and I'm here calling you)
Is love enough
Is love enough
Is love enough
Is love enough'Cause I need you
Come over
2 a.m and I'm here calling you
Come over
You already know that I need you
Come over
2 a.m and I'm here calling you
Calling youPushing and pulling
Can't get it right
It's all we ever do lately
I said it once
And I said it twice
But you still driving me crazy
'Cause I need you
Come over
2 a.m and I'm here calling you
Come over
You already know that I need you
Come over
2 a.m and I'm here calling you (2 a.m and I'm here calling you)Is love enough
Is love enough
Is love enough
Is love enough'Cause I need you
Come over
2 a.m and I'm here calling you
Come over
You already know that I need you
Come over

2 a.m and I'm here calling you
Calling you'Cause I need you
Come over
2 a.m and I'm here calling you
Come over
You already know that I need you
Come over
2 a.m and I'm here calling you
(Calling you)
