Dead dreams dropping off the heart  
Like leaves in a dry season  
Dead dreams dropping off the heart  
Like leaves in a dry seasonHow long do I take it  
Can I start to change it  
You know it's been a long long time  
Can I grow a new skin  
Can I try to begin againDead dreams dropping off the heart  
Like leaves in a dry season  
Dead dreams dropping off the heart  
Like leaves in a dry season  
I am always waking  
I am always shaking  
I think I know this might not endCan I dry the cold sweat  
Get out of this mess again, againDead dreams dropping off the heart  
Like leaves in a dry season  
Dead dreams dropping off the heart  
Like leaves in a dry seasonDead dreams dropping off the heart  
Like leaves in a dry season  
Dead dreams dropping off the heart  
Like leaves in a dry seasonEase into a new box  
Shoulder a new lot  
It's gonna be a long long time  
A whirlwind among breezes  
Doing what he pleases again, again  
Dead dreams dropping off the heart  
Like leaves in a dry season  
Dead dreams dropping off the heart  
Like leaves in a dry season
