City of Dreams (Showtek Remix) [feat. Ruben Haze]

Dirty South & Alesso

Everything seems like a city of dreams
I never know why
But I still miss youThere she's standing in a field of lies
I close my eyes
But I still miss youWhoa-oh-oooh, whoa-oooh
I still miss you
Whoa-oh-oooh, whoa-oooh
I still miss youEverything seems like a city of dreams
I never know why
But I still miss youThere she's standing in a field of lies
I close my eyes
But I still miss you
Whoa-oh-oooh, whoa-oooh
I still miss you
Whoa-oh-oooh, whoa-oooh
I still miss you
