Just in Case

Conor Maynard

So crazy to see you smiling
Heard he makes you feel incredible
But I don't wanna hear about it
'Cause I'm the fool that let you go
I wish that I could turn away
I can't watch him in my place
Maybe I'm just jealousSo baby just in case he makes the mistakes that I did
And he don't see what I missJust promise me you won't forget
You don't have to settle for less
Promise that you never never never ever ever
Promise that you never never never ever ever
Ever forget me
He tells you that he loves you
You never heard that before
Can't figure how you ended up with him
But I guess that was my fault
I wish that I could turn away
I can't watch him in my place
Maybe I'm just jealousSo baby just in case he makes the mistakes that I did
And he don't see what I missJust promise me you won't forget
You don't have to settle for less
Promise that you never never never ever ever
Promise that you never never never ever ever
Ever forget me
I'm not try'na get involved
Girl I just wanna let you know
That if you ever let him go
I'll be here waiting for you
Even though I wanna turn away
I know my heart is gonna stay
'Cause they got nothing on youSo baby just in case he makes the mistakes that I did
And he don't see what I missedJust promise me you won't forget
You don't have to settle for less
Promise that you never never never ever ever
Promise that you never never never ever ever
Ever forget me
