

A Lovely Night

Ryan Gosling & Emma Stone

Sebastian: The sun is nearly gone
The lights are turning on
A silver shine that stretches to the sea
We stumbled on a view
That's tailored made for two
What a shame those two are you and me
Some other girl and guy
Would love this swirling sky
But there's only you and I
And we've got no shot
This could never be
You're not the type for me (Really?)
And not a spark in sight
What a waste of a lovely night
Mia: You say there's nothing here
Well let's make something clear
I think I'll be the one to make that call
(But, you'll call?)
And though you looked so cute
In your polyester suit (It's wool)
You're right, I'd never fall for you at all
And maybe this appeals
To someone not in heels
Or to any girl who feels
There's some chance for romance
But I'm frankly feeling nothing
Is that so?
Or it could be less than nothing
Good to know! So you agree?
That's right
Both: What a waste of a lovely night
Instrumental
