No Words

Erik Hassle

YeahYeah, YeahYeahYeah, YeahWalkin' home
I passed by a funeral
There was a woman there
She was cryin'
Cursin' at the Gods
And it made me wanna
Run home to you
And I ran, ran, ran
Ran as fast as I could
Oh
No one knows, yeah
What tomorrow holds, yeah
All we got is here and now
All we got is here and nowI'm not gonna waste no more time
Oh, no, noI'm out of words, babe
No way to explain
Why you lookin' at me
What you doin' to me
I'm out of words, babe
No way to explain
Why you lookin' at me
I can't get enough
I can't get enough
I can't get enough
I can't get enough
I can't get enough
My thoughts
Moving like a speedin' train
Runnin' home to you
Tryin' to catch up with them
But
So many things
I forgot to say
Now that I want to
Don't know how to, babeOh
No one knows, yeah
What tomorrow holds, yeah
All we got is here and now
All we got is here and nowOh
No one knows, yeah
What tomorrow holds, yeah
All we got is here and now

All we got is here and nowI'm out of words, babe
No way to explain
Why you lookin' at me
What you doin' to me
I'm out of words, babe
No way to explain
Why you lookin' at me
I can't get enough
I can't get enough
I can't get enough
I can't get enough
I can't get enoughPeople always said
I got a way with words
But when it comes to you
I don't know what to say
Oh, nah, nah, damn
Won't do you justice, babe
Won't do you justice, babe
Oh, nah, nah, damnWords, babe
No way to explainWhat you doin' to me
I'm out of words, babe
No way to explain
Why you lookin' at me
I can't get enough
Oh, no, no
I can't get enough
Oh, no, no, no
I can't get enough
I can't get enough
Do you wanna be my baby
I can't get enoughGet enough
