You Can Depend On Me

Tony Bennett & k.d. lang

Though you say we're through
I'll always love you
You know, you can depend on meThough someone you've met
Has made you forget
You know, you can count on meNow I wish you success, loads of happiness
But I must confess, I must confess
I'll be lonely
If you need a friend
I'm yours till the end
And you can depend on meNow I wish you success, loads of happiness
Oh, but I must confess
I'll be lonely, I'll be lonely, I'll be lonely
And if you need a friend
I'm yours till the end
And you can depend on meYou can depend on me
