

# Praise On the Inside

J Moss

There's a praise on the inside  
That I can't keep to myself  
A holler stirring up  
From the depths of my soul  
So excuse me if I seem a little giddy  
Or maybe even strange  
But praise is the way I say thanks  
There's a praise on the inside  
That I can't keep to myself  
A holler stirring up  
From the depths of my soul  
So excuse me if I seem a little giddy  
Or maybe even strange  
Praise is the way I say thanks  
Let it bring forth the sound  
From your heart, filled with gladness  
All ye lands make a joyful noise  
Let the songs of David live forever  
Because praise is the way I say thanks  
Praise is the way we say thanks  
There's a praise on the inside  
That I can't keep to myself  
A holler stirring up  
From the depths of my soul  
So excuse me if I seem a little giddy  
Or maybe even strange  
But praise is the way I say thanks  
(repeat)  
Let it bring forth the sound  
From your heart, filled with gladness  
All ye lands make a joyful noise  
Let the songs of David live, forever  
Praise is the way I say thanks  
(repeat) There's a praise on the inside  
I can't keep to myself  
A holler from the gut...
