Leaving You (feat. Michael S.)

Audien

Oh looky here I am burning again
Thought it was real but your love it was only pretend
Oh looky here I am walking away
I turn around if you beg
If you beg me to stay
This time I don't think so
I had enough of your own ...reflow
Hard headed with an ego
You would so some things that get a bit illegal
Make sense of nothing at all
You're a feeling on your ego
But I've got more to say
Know I never, never met nobody, body like you
It ain't no compliment, that's the truth
You're nothing but a cold heart covered in heart
That's why, that's why I'm leaving you.
