

Love Is Crazy

Roger Creager

magnets attract magnets repel
they either connect or they fite like hell
well it depends on how ya turn em
all hopped up on passion gal
u loose all ur rationale
and so do i
when the fires start burnin
its ok to loose control now and then
thats jsut the way it is Love is Crazy
always has been
it'll make ya laugh n cry n stay up all nite
Love is Crazy
always will be
baby hang on tite cuz luv is crazy
Chasin each other round @ 2 a.m.
the nieghbors patience wearin thin
oo we live our lives too loud
they're not sure we're doin this rite
dont they make love after they fight
honey we dont need that crowd
they say we've lost our minds
aww but cares if they're rite Love is Crazy
always has been
it'll make ya laugh n cry n stay up all nite
Love is Crazy
always will be
baby hang on tite cuz luv is crazy if it was up to you and me the world could use more insanity
Love is Crazy
always has been
it'll make ya laugh n cry n stay up all nite
Love is Crazy
always will be
baby hang on tite cuz luv is crazy love is crazy!
i said looove is craazy!
