Living In the Past

Jethro Tull

Happy and I'm smilin', walk a mile to drink your water
You know I'd love to love you and above you there's no other
We'll go walking out while others shout of war's disasterOh, we won't give in, let's go living in the pastOnce I used to join in, every boy and girl was my friend
Now there's revolution but they don't know what they're fighting
Let us close our eyes, outside their lives go on much fasterOh, we won't give in, we'll keep living in the past
Oh, we won't give in, let's go living in the past
Oh no, no, we won't give in, let's go living in the past
