Can't You See

Total

You just don't know what you do to meGive me all the chicken heads from Pasadena to Medina
Bet Big get in between ya then peek the prognosis, doses
Blends and bends like Twizzlers, Biggie's fitting to hurt
What's under that skirt? Slow down, nigga, you're killin 'emWho fillin 'em with octane? Got 'em gassed up
'Bout to get blast up son, the last one, word to your mother
Brother listen, I've seen it when they kissed 'em at the wake
Made his body shake, the high guy in 850 i's smoke tintRap terror, full chromed Anteras, true fly by the rivers
But this is conspicuous, Bad Boys slipped in ninety-five ridiculous
My rap rhymes is like land mines, one step, kaboom
Black suits fill the room to whom it may concern, Junior Mafia's the click
Act up, I'll have my honeys, Total bust your shit
In the middle of the day now baby, I seem to think of only you
Never thinking for a moment baby, that you'd be thinking of me too
Yeah, so I can't wait for the day that we can be together
I can't let you walk away, oh can't you see, you and me
Were meant to be, oh baby and there's nothing left to sayOh baby can't you see what you do to me?
Our love was meant to be, you were meant for me
Oh baby can't you see what you do to me?
Our love was meant to be, you were meant for meEvery time I see you, I get this feeling, oh yeah
Telling me you are the one, oh what a feeling
I can't wait for the day, that we can be together
I can't let you walk away, oh can't you see, you and me
Were meant to be, oh baby there's nothing left for me to sayOh baby can't you see what you do to me?
Our love was meant to be, you were meant for me
Oh baby can't you see what you do to me?
Our love was meant to be, you were meant for me
You take me away, so far away
Oh what you do to me, oh, oh
I wanna be alone together
Somewhere just you and me, oh, ohOh baby can't you see what you do to me?
Our love was meant to be, you were meant for me
Oh baby can't you see what you do to me?
Our love was meant to be, you were meant for meOh baby can't you see what you do to me?
Our love was meant to be, you were meant for me
Oh baby can't you see what you do to me?
Our love was meant to be, you were meant for meOh baby can't you see what you do to me?
Our love was meant to be, you were meant for me

Oh baby can't you see what you do to me?
Our love was meant to be, you were meant for meOur love was meant to be, our love was meant to be
Our love was meant to be, our love was meant to be
Our love was meant to be, our love was meant to be
