

Drag

Placebo

You're always ahead of the game
I drag behind

You never get caught in the rain
When I'm drenched to the bone every time
You're the first one to swim across the Seine
I lag behind

You're always ahead of the game
While I drag behindI drag behind
I drag behind
I drag behind
I drag behind

You're always ahead of the pack
I drag behind

You posses every trait that I lack
By coincidence or by design
You're the monkey I've got on my back
That tells me to shine

You're always ahead of the pack
While I drag behindI drag behind
I drag behind
I drag behind
I drag behind
I drag behind
I drag behind
I drag behind

You're always ahead of the rest
When I'm always on time
You got As on your algebra tests
I failed and they kept me behind
I just gotta get off my chest
That I think you're divine

You're always ahead of the rest
While I drag behindI drag behind
I drag behind
I drag behind
I drag behind
I drag behind
I drag behind
I drag behind
