Alligator

Of Monsters and Men

Hey, heyI see colour, raining downFeral feeling, swaying sound
But I don't know what you want
I am open, I am restless
Let me feel it out
Let it all come outWake me up, I'm fever dreaming
And now I lose control, I'm fever dreaming
Shake it out, it's just a-what I'm feeling
And now I take control, I'm fever dreaming
(I'm fever dreaming)Oh so quiet
When they laid me in the stream
And the starlit sky
Grew before my eyes
Twenty-two women stood by the banks and cried
Oh ah
Wake me up, I'm fever dreaming
And now I lose control, I'm fever dreaming
Shake it out, it's just what I'm feeling
And now I take control, I'm fever dreaming, fever dreamingI'm fever dreaming
I must be fever dreaming
I'm fever dreaming
