Hot Girls (feat. IamSu, French Montana & Chinx)

Mally Mall

I'm the biggest rapper in my city, no stories.
I swear a broke bitch can't do shit fo' me
but if she got the whole world in her pants,
Then it's Boy Meets World call me Corey.
We up in the bitch til' a hater get ghost
Burn it through the bread like I'm tryin to make toast
Baby I'm a player, most players can't coast
so it's first class flights cause I'm not a good coach.
Livin' in the burbs, love me in the hood tho
Burn rubber, I be GAS-ing call me Suzie Sideshow
Ridin with my main thang on some lowkey shit, g shit.
Jean with a move then its beastin, BEASTIN.
Always gonna keep somethin' decent On me
Never lonely, always ridin' with the homies
And what you mean foo it's turn up time,
You ain't fucking with the gang don't come outside.
WHAT!
AY!
