Big Girl Now (feat. Lady Gaga)

New Kids On the Block

I'm big boy, you're a big girl now
I'm a big girl, you're a big boy now
Back in the day, when you were young (It was fun)
Little girl, didn't think you were the one (Now, here I come)
Your sexy walk, your sexy talk (That's what's up)
Little girl, you're clearly not the same kid from the block
I ain't that little girl no more, not no more, that's for sure
Boy, get your ass out on the floor, lets explore, lets exploreYou know I like the way you move it (move it)
Girl, you're all grown up and now you're ready to let it go
Wanna be a big girl 'bout to prove it (prove it)
With a body like that, you got a grown man ready to blow
I'm big boy, you're a big girl now
I'm a big girl, you're a big boy now
Back in the day, when I was young (Kinda dumb)
But I always knew I'd be the one (Now, here you come)
Gonna get you wet, gonna make you sweat
Gonna give you something you ain't never gonna forget
Well, you ain't a little girl, not no more, that's for sure
You booty like oh!
Wanna work it like a big girl, lets explore
Now drop it to the floor, baby, get moreYou know I like the way you move it (move it)
Girl, you're all grown up and now you're ready to let it go
Wanna be a big girl 'bout to prove it (prove it)
With a body like that, you got a grown man ready to blowYou know I like the way you move it (move it)
Girl, you're all grown up and now you're ready to let it go
Wanna be a big girl 'bout to prove it (prove it)
With a body like that, you got a grown man ready to blow
I'm big boy, you're a big girl now
I'm a big girl, you're a big boy now
I'm big boy, you're a big girl now
I'm a big girl, you're a big boy now
I've been waiting too long for you to get naughty
Beat me, spank me daddy, come on, touch my body
They say that good things come to those who wait
Come take me on before it's too lateYou know I like the way you move it (move it)
Girl, you're all grown up and now you're ready to let it go
Wanna be a big girl 'bout to prove it (prove it)
With a body like that, you got a grown man ready to blowYou know I like the way you move it (move it)
Girl, you're all grown up and now you're ready to let it go

Wanna be a big girl 'bout to prove it (prove it)
With a body like that, you got a grown man ready to blow
