

3 Way Freak (feat. Lil Wayne)

Pimp C

Love, bitch I'm workin' the wood, I got money to burn
I got a three way freak and she ready to earn
I make her open it up, I make her give me some more
I got a Bentley outside if ya ready to go
I wanna do somethin' freaky to you, right now
I wanna do somethin' freaky to you
I wanna do somethin' freaky to you bitch, right now
I wanna do somethin' freaky to you
I need a three way lover - head, pussy, and butt
I ain't playin' with ya bitch when I open ya up
I make ya hold it open, my dick is famous
Meat in your ass, rapid vibrator your anus
I'm a young Marvin Gaye in '68, in his prime
She can keep her pussy if I can control her mind
I press down on it like a jackhammer in concrete
Bend over, hold a bumper, knock ya off in the streets
In the studio laboratory, get down, twerk with it
If ya do it right, ya make your female squirt with it
She wet up the bed when I'm under her skirt
She shoot cum like a jet, call it water works, bitch
I'm workin' the wood, I got money to burn
I got a three way freak and she ready to earn
I make her open it up, I make her give me some more
I got a Bentley outside if ya ready to go
I wanna do somethin' freaky to you, right now
I wanna do somethin' freaky to you
I wanna do somethin' freaky to you bitch, right now
I wanna do somethin' freaky to you Pussy, mouth, ass
My three way freak give me pussy, mouth, ass
Got the UGK bumpin' while she runnin' my bath
Got the pussy straight jumping, got it jumping like a cat
Cause the dick is A plus and she just love when I ash
She blow me like a trumpet, feelin' it somethin' like jazz
She blow me like dust, I'm feelin' somethin' like sand
I'mma fuck her in the butt, ain't no ifs, buts, or ands
I'mma classic man, long last dick man
Smokin' weed, gettin' head in the traffic jam
Got a freak in the bed, hit her ass with that wham
I don't drown in that pussy, that's them laps, nigga swam
I'm a beast, I'mma dog
Off the leash in her drawers
Off the lean, off them bars

It's rest in peace Pimp C, fuckin' broads
It's Tunechi motherfucker I'm workin' the wood, I got money to burn
I got a three way freak and she ready to earn
I make her open it up, I make her give me some more
I got a Bentley outside if ya ready to go
I wanna do somethin' freaky to you, right now
I wanna do somethin' freaky to you
I wanna do somethin' freaky to you bitch, right now
I wanna do somethin' freaky to you
