Already Taken

Trey Songz

Yup
Come hereEvery night up in the club getting money with the thugs thought I'd never fall in love (what what)
Then there was you (what what)
And I don't wanna be a player no more
Every night in the club tricking with a different girl thought I'd never fall in love (what what)
Then I met you (what what)
Girl you changed my mind
One look
And just one touch
And I knew she was the girl for me
Like no other I had seen
They say I am tripping
But I know what I want
This girl here is different
She got something that they don't
YeahShe might be my lover
She makes me want no other
She don't care if I go to the strip club
She wanna go tooI never met a girl like you that makes me want to settle down
They throwing me that booty
I'm already taken
There's a lot of girls up in this club
But baby I'm takenWhen that good ole groupie love
I'm already taken
And it's hard as a man but I know I can
Baby I'm taken
She's the apple of my eye
Keep that body on time
I know I'm a player
But she might be Mrs. Right
Plus, that girl told me
If I ever do wrong
I can have all the money
All the keys
From that day on she's through with meShe might be my lover
She makes me want no other
She don't care if I go to the strip club
She wanna go tooI never met a girl like you that makes me want to settle down
They throwing me that booty
I'm already taken
There's a lot of girls up in this club

But baby I'm takenWhen that good ole groupie love
I'm already taken
And it's hard as a man but I know I can
Baby I'm takenEvery night up in the club getting money with the thugs thought I'd never fall in love
Then there was you
And I don't want to be a player no more
Every night in the club tricking with a different girl thought I'd never fall in love
Then I met youGirl you changed my mind
They throwing me that booty
I'm already takenSo hard to look the other way
But baby I'm taken
I don't want to be a player
I'm already taken
No moreNo more
Baby I'm taken
None of these chicks cant fuck with me baby
None of these chicks cant fuck with me baby
Ain't none of these chicks cant fuck with my babyFuck with my baby up
Fuck with my baby up
None of these chicks cant fuck with me baby
None of these chicks cant fuck with me baby
None of these chicks cant fuck with me baby
Fuck with my baby
Fuck with my baby
I'm already taken
I don't want to be a player
Baby I'm taken
I just want to love my baby
I'm already taken
No more
I'm already taken girl (yeah)
