Crosses (feat. José Gonzalez)

Zero 7

Don't you know that I'll be around to guide you?
Through your weakest moments to leave them behind you
Returning nightmares only shadowsWe'll cast some light and you'll be alright
We'll cast some light and you'll be alright for nowCrosses all over, heavy on your shoulders
The sirens inside you waiting to step forward
Disturbing silence darkens you sightWe'll cast some light and you'll be alright
We'll cast some light and you'll be alright for now
Crosses all over the boulevard
Crosses all over the boulevard
Crosses all over the boulevardThe streets outside your window over flooded
People staring, they know you've been broken
Repeatedly reminded by the looks on their facesIgnore them tonight and you'll be alright
We'll cast some light and you'll be alrightWe'll cast some light and you'll be alright
We'll cast some light and you'll be alrightCast some light, alright
Light
Be alrightCast some light, alrightBe alright
Be alright
