Soldier

Shania Twain

Don't close the door when you leave
It's cold out
I need to see the air when you breathe
And say out loud
That you'll be home soon
Not to worry
You're gonna hurry backHas anybody seen my soldier?
Standing all alone
Has anybody seen my soldier?
Just tryna get home
You're not alone when you dream
I'm with you
I hear your heart when it beats
I feel it too
Sleep in peace
Love is tender
Please remember meHas anybody seen my soldier?
Standing all alone
Has anybody seen my soldier?
Just tryna get homeWhere did you go, my love? (I need to know)
I need to know you're safe (so many miles)
So many miles between us
I need to see your faceHas anybody seen my soldier?
Standing all alone
Has anybody seen my soldier?
Oh, has anybody seen my soldier?
Standing all alone
Has anybody seen my soldier?
Just tryna get homeJust tryna get home
