(Girl)
Aye yo bitch turn the f**kin' music up
You f**kin' bitch
I heard you've been f**kin' with my man
What kind of friend are you?
What's goin' on what am I dealin' with?
(wah wah wah wah wah wah)
I can't believe it
You call yourself a f**kin' friend
I should stamp on your face right now
F**k you bitch
Don't look don't look at me
You call yourself a friend
